1. INTRODUCTION

1.1 ABOUT

Join Spooky And Sexy, the two flaming pumpkins in a magical night at the cemetery. There, you will spin their 5x3 slot game with 30 paylines and meet the WILD witch with her COINS and JACKPOTS!

The mysterious WILD witch appears only in the middle cell of reel 3, but when she does, the magic begins. She unlocks and collects every COIN and JACKPOT in sight. With every appearance, the WILD witch also sends enchanted flames to nearby PUMPKINS, making them grow or explode! Each magical flame can swell the pumpkins to the bursting point. When ONE or BOTH PUMPKINS explode, you're granted 6 FREE GAMES or 12 FREE GAMES, respectively! During free games, the WILD becomes STICKY, and the pumpkin-growing magic continues, meaning even more free games can be triggered.

But the surprises don't end there: the REWIND FEATURE may trigger after every spin! If the WILD isn't present, the center reel cell can rewind to reveal it. If the WILD is already there, other reel cells may rewind instead, uncovering hidden COINS or JACKPOTS for instant prizes. Who knows, maybe even the elusive GRAND JACKPOT will reveal itself in the process.
